Eligible applicants must reside in the jurisdiction of the Embassy of Cameroon in Washington, D.C., which includes: the UNITED STATES of AMERICA, MEXICO, COSTA RICA, and the COMMONWEALTH of the BAHAMAS. Instructions/requirements for submitting each type of request are outlined in the following sections of this document.

PROCESSING TIME AND APPLICATION PROCEDURE

The processing time for **Certification/Legalization requests** is **approximately THREE (3) business days**. This processing time may extend over three (3) business days depending on the load of requests being processed by the Consular Section.

Certifications/legalizations requests must be submitted to the Embassy in Washington, D.C., IN PERSON BY APPOINTMENT, or BY MAIL.

(1) IN-PERSON

To apply **IN PERSON**, applicants or their agents must first schedule an appointment (*see appointment scheduling procedure below*), then prepare a complete application file including an **Application Submission Sheet** (*download from the Embassy website, cut along the line, fill out both sides of the half-sheet and staple to the application file*). In case of multiple requests, each file must bear the application submission sheet. When submitting the application file, half of the application submission sheet will remain with the file, and the other will be given as a receipt to the applicant or their agent.

HOW TO SCHEDULE AN APPOINTMENT WITH THE CONSULAR SECTION

To apply in person, it is **PRIMORDIAL** and **MANDATORY FOR ALL APPLICANTS** to schedule an appointment with the Consular Section prior to coming to the Embassy. **Note that access will systematically be DENIED to any applicant who comes to the Embassy without having scheduled an appointment.**

- 01. Scheduling an appointment:** Call the appointment line: **(202) 286-0984**. Please, be courteous and patient as the Consular Section typically experiences a very high volume of calls. An agent will assist you in selecting an appointment date and time from the open slots on the schedule. **Specify the number and the types of requests** that you intend to submit.
- 02. Preparing for your appointment:** Carefully review the requirements contained in this document, to be fully prepared with complete documentation when you come to your appointment. **Note that failure to submit a complete application may result in the rejection of said application, and in your having to reschedule another appointment later, which could induce significant delays in the processing of your request.**
- 03. Coming to your appointment:** On the day of your appointment, and at the scheduled time, bring the complete application file to the Consular Section of the Embassy located at

**3007 TILDEN STREET NW, Suite 5M
WASHINGTON, DC 20008**

04. IMPORTANT NOTES:

- a. Each person coming to the Embassy in person to submit a certification/legalization application for themselves or for a third party must schedule an appointment with the Consular Section. In the case of under-aged applicants, a parent, a legal guardian, or an agent must contact the Consular Section to schedule an appointment for the minor.**
- b. In the case of families, only one person needs to contact the Consular Section to schedule the appointment for the whole family. It will be required to indicate the number and the names of all persons coming to the appointment,**

whether they are applying or not. For example, if an under-aged applicant is accompanied by his father who is not applying himself, when scheduling the appointment, the father must give both names (his and the child's) – this is necessary to ensure that access will be granted to both the father and child.

c. Note that the presence of an under-aged person is not required for a certification/legalization application to be submitted to the Consular Section.

d. Once again, service/access will ONLY be granted to those persons whose names are registered when scheduling the appointment. This implies that failure to register one's name when scheduling the appointment will result in denial of service/access.

(2) **BY MAIL**

To apply **BY MAIL**, send the complete application file(s) to the following address:

**EMBASSY OF THE REPUBLIC OF CAMEROON
CONSULAR SECTION – SUITE 5M
3007 TILDEN STREET NW
WASHINGTON, DC 20008**

Applicants must provide a **prepaid return envelope with tracking**, addressed from the Embassy (address above) to the applicant (indicate applicant's full name and address). They may use FedEx, UPS, or the United States Postal Service (USPS). All shipping costs must be covered by having the return costs paid upfront at a FedEx, UPS or USPS location, or an account/credit card number on the shipping label to charge for the service.

PLEASE BE ADVISED THAT THE CONSULAR SECTION WILL NOT START PROCESSING AN APPLICATION IF THERE IS NO PREPAID RETURN ENVELOPE THAT SATISFIES THE ABOVE REQUIREMENTS.

NOTES:

- **Senders of application files by mail must ensure that tracking numbers are available on the original package sent to the Embassy and on the return package, and must record those tracking numbers to enable themselves to monitor the progress of both shipping operations:** It is not the Embassy's duty to provide return tracking numbers, whether by phone or by email, but rather the responsibility of the applicant to ensure that they retain this information in the first place.
- **For applications sent by mail, the applicant CANNOT come in person to pick up their documents.** Their return package will be mailed once the processing is complete.
- Refer to FedEx, UPS, or USPS's websites, or visit one of their locations to get transit rates for return packages; the Consular Section does not have that information!
- If tracking information indicates that a package has been delivered to the Embassy, the sender should rely on that tracking information and refrain from calling or emailing the Consular Section to verify the information.
