

CAMEROONIAN BIOMETRIC PASSPORTS

I. GENERAL INFORMATION

PLEASE READ THE INFORMATION CONTAINED HEREIN IN ITS ENTIRETY AS YOU PREPARE YOUR PASSPORT APPLICATION.

Passport applicants are advised of the following:

- **Cameroonian citizens must be aware that the Embassy of Cameroon no longer accepts passport extension requests, but ONLY Biometric Passport issuance/renewal requests; once the process is complete, the applicant receives a brand-new passport booklet and the previous passport is cancelled before being returned to its bearer.**
- **Applicants are advised to start the passport renewal process ONE (1) YEAR before the expiration date of their current passport, to account for processing or transmission delays.** Application files are forwarded to Cameroon for review, and once the process is complete, the newly issued passports are sent to the Embassy in Washington, DC, where they can be collected by their respective bearers.
- **For this process, passport applications must be submitted at the Embassy in Washington, DC, IN PERSON BY APPOINTMENT, BY THE APPLICANTS THEMSELVES; in the case of under-aged applicants, a parent or legal guardian must accompany the child to the Embassy.**

Note: PASSPORT APPLICATIONS CANNOT BE SUBMITTED BY MAIL. All passport applicants – including minors/children of all ages – must appear in person at the Embassy for this process that involves identifying the applicant and capturing biometric elements including fingerprints and height.

- **All Cameroonian citizens in the jurisdiction of the Embassy of Cameroon in Washington D.C. – which includes the UNITED STATES of AMERICA, MEXICO, COSTA RICA, the COMMONWEALTH of the BAHAMAS – must submit their application for a biometric passport at this Embassy.**
- **All eligible Cameroonian citizens who have not yet obtained a Biometric Passport are STRONGLY ADVISED to take steps to obtain it.**

II. PROCESSING TIME AND APPOINTMENT PROCEDURE

Applicants may begin the passport renewal process one year before their current passport expires, or any time after their passport has expired. Please note that passport appointments are typically booked several months in advance; there may be a significant wait time until the scheduled date for a passport appointment. The Consular Section therefore advises users to plan their visit early in order to account for such delays.

A. Processing Time

From the time an application is submitted, applicants must allow FIVE (5) to (7) MONTHS for the completion of the process.

Note: Once a passport is ready for pickup at the Embassy, a notification, listing options available to retrieve one's passport, will be sent by email to the recipient. It is advised to include cs@cameroonembassyusa.org to your list of email contacts to avoid seeing a notification from the Consular Section treated as undesired email or spam.

B. Appointment Procedure

To submit a passport application, it is **MANDATORY FOR ALL APPLICANTS** to schedule an appointment with the Consular Section prior to coming to the Embassy. **Access will systematically be DENIED to any passport applicant who comes to the Embassy without having scheduled an appointment.**

- 01. Scheduling an appointment:** Call the appointment line: **(202) 286-0984**. Please, be courteous and patient as the Consular Section typically experiences a very high volume of calls. An agent will assist you in selecting an appointment date and time from the open slots on the schedule. **Specify the number and the name(s) of the individual(s) who will be submitting a passport application.**
- 02. Preparing for your appointment:** Carefully review the passport requirements contained in this document, to be fully prepared with complete documentation when you come to your appointment. **Note that failure to submit a complete**

application may result in the rejection of said application, and in your having to reschedule another appointment later, which could induce significant delays in the processing of your request;

03. **Coming to your appointment:** On the day of your appointment and at the scheduled time, bring the complete application file(s) to the Consular Section located at

3007 TILDEN STREET NW
WASHINGTON, DC 20008

04. **IMPORTANT NOTES:**

a. Each individual passport applicant must schedule an appointment with the Consular Section himself/herself. In the case of under-aged applicants, a parent or a legal guardian must contact the Consular Section to schedule an appointment for the minor.

b. **In the case of families**, only one person needs to contact the Consular Section to schedule the appointment for the whole family. It will be required to indicate the number and the names of all persons coming to the appointment, whether they are applying or not. For example, if an under-aged applicant is accompanied by his father who is not applying himself, when scheduling the appointment, the father must give both names (his and the child's) – this is necessary to ensure that access will be granted to both the father and child.

c. **The presence of an under-aged applicant IS REQUIRED for their application to be reviewed by the Consular Section.**

d. **Once again, service/access will ONLY be granted to those persons whose names are registered when scheduling the appointment. This implies that failure to register one's name when scheduling the appointment will result in denial of service/access.**
